CHRIS & COMPANY

Hello,

Welcome to Chris and Company! Our logo represents our values ( the belief, operating principles that guide us in fulfilling our mission) and mission(what we want to achieve), which shapes the Firm itself.

Our strength comes from "Enjoying Our Values," which eventually would fulfill our mission of Joy living.

In Joy, We Enjoy!

The Chris and Company Team~

## Our Value ✓

Planting our value

Be Fruitful and increase in number, fill the earth and subdue it. [Genesis 1:26]

## Our Vision ✓

Watering our vision

Chris & Company aims to restore God-given lifestyle by manufacturing healthy, joyful and environmental-friendly leg-wears. We are to enrich and enhance the quality of hosiery market with the " Fruit of Joy".

Entrepreneurial Spirit for Challenge

Teamwork & Partnership for Excellence

Servant-hood Mindset for Fulfillment

## Our Mission ✓

Sharing the Joy of Life

Founded in 2007, we are to provide joyful experiences to consumers.

Internally,

Building "Joy Management" with professional stewardship

Externally,

Spreading "Joyful Lifestyle" by expanding "Joyful Territory"

Chris & Company introduces the best in quality and selection of joyful and fun lifestyle socks that are environment-friendly and bring healthy benefits to our consumers hence our customers. We will bring joyful and fun products to upgrade the selection of hosiery market and further on to influence joyful lifestyle to the consumers.

Chris & Company has a professional team of handling premium brand OEM's, specializing in sports and gentlemen's socks with extensive experience and know-how of serving luxe and premium brands. From design to end-product, we have a well-organized in house quality control with true understanding of brands, manpower with expertise on market, and meeting the best demand of our client.

Chris & Company was established in 2007, and have become one of the leg-wear industry's most innovative and fast-emerging companies in Korea. We are becoming the strong partners in all classes of trade. Applying JIT supply management, and consumer-focused approach to product development has made us leaders in leg-wear. Our last year's sales were about US\$2,000,000 and we are planning to expand our business to overseas as well. We believe that recent free trade agreement between U.S. and Korea (-13.5%) will bring even more synergy and is great opportunity to you and us. Knowing the importance of attention to detail, and quality control, we are confident that we will be able to meet your best expectancy.
